

## VILLAIN ARCHETYPE

### Here are the Audition Sides for the Villain Archetype.

Choose the side you feel most suited for and aligned with.

#### MALEFICENT

(tempting the hero)

"Jon", is it? You of course, will be hunting for the princess. She is the last heir to the throne and she must either abdicate...a very long and arduous process...or simply...DIE...

(can mime neck cut)

...So I can claim the entire kingdom! MWAHAHAHAHA!  
So! I need a strong, smart, land-wise man to go on this hunt...and we must be surreptitious about this hunt. You must gain her trust, and then - give her this gift...

#### HADES

(trying to make a deal with Hercules)

Well here's the deal Herc. You give up your strength for 24 hours, just 1 day. If you do, no strength for 24 hours, your darling Meg will be completely safe, free as a bird. So whaddya say? And don't worry, people won't get hurt. Well, I dunno, maybe. No no it'll be fine. Well it's a possibility but you know, it happens, it's war! The world's a dangerous place, yes, war and division and 'picking a side' - that's the only way to solve our problems, right?! Gotta keep the people in FEAR! And who cares about other people, as long as you look after yourself. That's all you care about isn't it everyone. You only care about yourselves! Besides, what do you owe all these people? Meg is much more important to you isn't she? So it's a deal

(makes the deal with Hercules by shaking hands)

YES! MWAHAHAHHAHAH! I get his strength everyone!  
Oh yes I can feel it! Oh and now that you don't have your strength, you know how it feels to be just like everybody else! Just like what you always wanted, isn't it? To be no different than anyone else? Well you got your wish!  
HAHAHAH! Oh and 1 more thing. Meg, my dear, a deal is a deal. Thanks for helping me just like you promised, so you are OFF THE HOOK! You're free!!!! By the way Herc, isn't she like, just such a fabulous actress. She should win a Golden Globe or something. HAHAHAH!
