

THE ALPHASHOW OF

Aladdin

Social & Emotional Learning Theme:

MANIFESTING YOUR DREAMS and TRUTH

Learn how to wish

All children (and sometimes grown ups) struggle with getting what they want out of life. This show will put the audience on the right path to discovering their own innate wisdom of manifesting their dreams and understanding the causes of what blocks us.

Your wish is my command

The genie will show you the secret to getting what you want. It comes down to the power of your emotions and being humble and truthful.

Full Musical Production

Cleverly adapted musical numbers bring a modern feel, with full production values, sound and a full theatre quality lighting rig and set. Aladdin has special effects and an impactful theatrical storytelling designed to change lives.

Classically Aladdin!

There's still the story that everyone is familiar with, and characters both old and new. You'll love how we've modernised and Alpha-ised our version!
