

Beauty and the Beast

Social & Emotional Learning Theme:
BELIEFS & SELF-IMAGE

Obliterate Limiting Beliefs

During the show, Luminaire helps the Beast and the audience let go of limiting beliefs we can sometimes have about ourselves, such as "I'm not smart" or "I'm not good enough".

Classic Story

Alpha's adaptation is similar to the version of the story that everyone knows.

Full Musical Production

Cleverly adapted musical numbers bring a modern feel, with full production values, sound and a full theatre quality lighting rig and set. Beauty and the Beast has special effects and an impactful theatrical storytelling designed to change lives.

- Jenny Goldsmith, Donald PS

"**Best production I've seen in my teaching career.** I hope St Mark's gets to see the Hunchback next year! it was just so BRILLIANT. Everything about it was AMAZING and had the children (and teachers) talking about it for days."
- Tennille Adams, St Mark's School, Dingley

"...yours would be one of if not THE BEST, absolutely brilliant, feedback from everyone has been overwhelming"
- The Principal, Wonthaggi PS

"A vibrant group of young people totally dedicated to their art. **Preps to Grade 6 were awestruck.** Loved the audience participation which created an electric atmosphere. Younger kids loved the fairytale magic & older kids related to the humour, themes & values. This is simply the best show we have ever had here."

- Sally Malcolmson, Morwell Park PS
