"Unlike other company's shows that focus on one area of the curriculum, Alpha Shows covers a broad range of issues relevant to children and **important values** that can be reinforced in the integrated curriculum classroom."
- Jenny Goldsmith, Donald PS

"Very professional, very funny! Thoroughly enjoyable, teachers loved the bits that went over the heads of children. I liked best the audience involvement, singing & dancing, fast moving, grabs all children even the 'cool' sixes, didn't need to keep the children quiet. Real theatre at children's level."
- Letitia Weber, Grahamvale PS

"Excellent. Involved the children through participation in songs etc. Motivating for children. The adaptation of an old story to modern themes/music was inspiring. Alpha – very professional and easy to deal with. Show – entertaining and will provide motivation for follow up activities."
- Marg Parry, Heathcote PS

"Alpha shows are loved by our students who look forward to them all year. The costumes, sound and lighting create a wonderful atmosphere and the students relish the opportunity to respond and be actively involved. We believe we receive exceptional value for the cost of Alpha shows. The entire Alpha experience excites our whole school and stimulates oral language development and writing activities from Prep to Year 6."
- Jenny Scott, Mossgiel Park PS
