

THE ALPHASHOW OF

SLEEPING BEAUTY

Social & Emotional Learning Theme:
MAKING LOVING CHOICES - FEAR vs LOVE

Make new choices

The King takes Jamie - the would be hero - on a journey along with the audience designed to help everyone release fear and anger and make choices based on love, truth & courage.

One for the boys too

All of the content about courage and confidence is also great for the boys, to bring relevance and inspiration to a story traditionally about re-awakening the feminine in the world.

Full Musical Production

Cleverly adapted musical numbers bring a modern feel, with full production values, sound and a full theatre quality lighting rig and set.

Popular characters

Older students love this one especially, for reasons we don't always understand! Whether it's Jamie the farm-boy come hero, the inspirational King, or the hilarious characters.

"Unlike other company's shows that focus on one area of the curriculum, Alpha Shows covers a broad range of issues relevant to children and **important values** that can be reinforced in the integrated curriculum classroom."
- Jenny Goldsmith, Donald PS

"Very professional, very funny! Thoroughly enjoyable, teachers loved the bits that went over the heads of children. I liked best the audience involvement, singing & dancing, fast moving, grabs all children even the 'cool' sixes, didn't need to keep the children quiet. Real theatre at children's level."
- Letitia Weber, Grahamvale PS

"Excellent. Involved the children through participation in songs etc. Motivating for children. The adaptation of an old story to modern themes/music was inspiring. Alpha - very professional and easy to deal with. Show - entertaining and will provide motivation for follow up activities."
- Marg Parry, Heathcote PS

"Alpha shows are loved by our students who look forward to them all year. The costumes, sound and lighting create a wonderful atmosphere and the students relish the opportunity to respond and be actively involved. We believe we receive exceptional value for the cost of Alpha shows. The entire Alpha experience excites our whole school and stimulates oral language development and writing activities from Prep to Year 6."
- Jenny Scott, Mossgiel Park PS
