

THE ALPHASHOW OF

THE SNOW QUEEN

Social & Emotional Learning Theme: **ALIGNMENT & COURAGE**

Align with power & courage

Like the fairytale, the story looks at how our negative or positive perceptions alter our thoughts and emotions and either support or prevent us from coming into alignment with everything we want to create and our own potential.

Achieving your potential

A struggle for many of us, it's long been a mystery in how to proactively reach your potential. Our version of the story takes the characters and audience step by step through the necessary steps to be all of who we are!

Big Production Values

Another beautiful large set, custom made, including Ilsa's creation, her Ice Palace. You'll never believe we could set up all this in 90 minutes!

Classic Fairytale

We went right back to Hans Christian's version and looked at what he was really trying to express, including the symbolism of the magic mirror. One of the most beloved fairytales of all time, now with the magic of an Alpha Show!
